

Key learning objectives for Staff Ambassadors

- Enhance understanding of Glasgow Life and how it operates – seeing the “bigger picture”
- Learn more about the roles of other staff in different departments and service areas
- Share skills and learn new ones
- Think creatively and in new ways about our work
- Build self confidence
- Build relationships with colleagues and communities that will inform future service planning and delivery
- Gain greater understanding of different ways to engage audiences and communities
- Discuss topical issues (eg: Community Empowerment Bill)
- Explore how to work collaboratively in new and more effective ways (with colleagues and communities)
- Be positively challenged
