

## Glasgow Museums Creative Café 3

13th November (10am-1pm) at St Mungo's Museum

You are warmly invited to attend the third of Glasgow Museums' Creative Café events.

The Creative Café is a regular discussion forum hosted several times a year by Glasgow Museums. It is an opportunity to bring people together from across the city, to share ideas about Glasgow Museums' work, collections and forward plans. It is also a chance for everyone who comes along to make new connections and meet new people.

At this event, we will be focusing on three areas for discussion, inspired by St Mungo's as our Creative Café venue. These topics are:

- Diversity and equality
- Contemporary museum collecting
- Our built heritage

As part of the event, we will also be hearing more about how some of the ideas surfaced at previous Cafes have been progressing. There will also be an opportunity, for those who want it, to go on a quick behind the scenes tour of the "Heavenly Creatures" exhibition currently on show at St Mungo's and hear from staff and volunteers involved in the development of the exhibition.

Places at the Creative Café are limited and will be allocated on a first come, first served basis. If you are interested in the themes of this event and would like to attend, please RSVP and reserve a FREE place by contacting the Project Manager (Glasgow Museums):

I look forward to hearing from you!
