

Shipley Art Gallery Tours comments

'Very enjoyable tour and it was interesting to see how much more there was behind the scenes. The tea was very welcome!'

'Extremely enjoyable and interesting tour and talk. All talks presented with passion and excitement about their chosen paintings. Lovely warm atmosphere as well. Talks could benefit from a copy of each presentation. Looking forward to the next one!'

'An informative tour, for me the information was enough. Nice touch with the tea and coffee at the end.'

'Interesting, very informative, well presented. Lovely friendly presenters. Would be useful to have the talks presented on the sheet with paintings, perhaps clearer images too on the free sheet. Loved the whole concept and talks well organised.'

'Very interesting. Only one negative – shining the torch on to an oil surface results in glare so you miss some of the picture's detail.'

'An interesting series of talks by enthusiastic volunteers'.

'Really enjoyed the behind the scenes tour. Tea most welcome. Would like to know more about the archives and Shipley bequest. Thank you.'

'Very interesting tour, well presented with adequate information about each artist and a good description of the contents of each painting.'
